For Advanced Practice Nursing (APN) Education

APN learners create and use their personal **MyAccess Profile** to unlock key features:

- Work through challenging patient cases

- Create and take quizzes

- Connect remotely off-site, off-VPN

- Bookmark favorite content such as videos, images, tables, and chapters to view later

- Organize important content in folders

- Browse recently viewed content

- Receive alerts about important new content additions

- Download multiple images to PowerPoint with citations and references automatically populated.

How to Set Up Your **MyAccess Profile** in 3 Easy Steps:

1. Go to mhmedical.com or navigate to any Access product homepage. You must be on-site at your institution or organization when first creating your MyAccess Profile.

2. Click on your institution's or organization's name in the upper right-hand corner of any page. Once there, click on "Create a Free MyAccess Profile."

3. In the pop-up window, click "Create a Free MyAccess Profile." Complete the registration form and select "Create Profile."

Congratulations! You are ready to enjoy the benefits of a MyAccess Profile

Helpful Tip:

To keep your MyAccess Profile active, you must sign into your profile every 90 days while either on-site or through your institution's or organization's VPN or proxy server.
