connect®

Effective.

Efficient.

Easy-to-Use.

McGraw-Hill Connect is an award-winning digital teaching and learning solution that empowers students to achieve better outcomes and enables instructors to improve efficiency with course management.
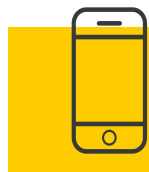

Strengthen the link between instructors, students and course materials with Connect's proven teaching and learning solution. When using Connect, students are more engaged with course content, can better prioritize their time and come to class ready to participate.

Personalized & Adaptive Learning

Connect's integrated, adaptive SmartBook maximizes learning by helping students study more efficiently, highlighting where in the chapter to focus, asking review questions, and pointing them to additional resources until they master the content.

Mobile Access

Connect's mobile and offline functionality, available through the ReadAnywhere app, gives students the flexibility to study via their mobile device, anywhere, anytime.

Improved Student Interface

We've improved the Connect student experience, making the platform more intuitive and easier to use. Key updates include simplified access to SmartBook, student resources and improved navigation.

High-Quality, Flexible Course Material

Our high-quality solutions are designed to help students actively engage in course content and develop higher-level critical thinking skills while offering you the flexibility to tailor your course to suit the diverse ways you teach and the ways your students learn.

Accessibility

Creating accessible products is a priority for McGraw-Hill. We strive to achieve WCAG 2.0 AA accessibility compliance standards. Recent improvements to Connect include improved keyboard navigation, screen reader capability and colour contrast.

Analytics & Reporting

Monitor progress and improve focus with Connect's visual and actionable dashboards. Reports are available to empower both instructors and students with real-time performance analytics.
