Why Connect?

Connect
simplifies
everyday life.

It's easy to use—for you and your students. You have enough work to do, figuring out how to navigate your online-learning technology shouldn't be on your to-do list. Connect makes our content implementable and usable through our intuitive interface.

 Because learning changes everything.™

Get Better Results

Numerous studies conducted over years tell the same story: Students are more likely to stay enrolled and get better grades when using Connect. On average, students improve one letter grade with Connect. New visual analytics coupled with powerful reporting provide immediate performance perspectives. Connect makes it easy to keep students on track, while inspiring success.

Close the Knowledge Gap

Connect's superior adaptive technology empowers students to take charge of their learning. By pinpointing exactly what a student knows and doesn't know, Connect seamlessly surfaces content and learning resources designed to close the knowledge gap.

Trust in Superior Academic Content

Thoughtfully developed, world leading educational content and pedagogy is the cornerstone of Connect. When combined with Connect's adaptive capabilities, analytics, and mobility, greater academic success is at your students' fingertips.
