

Grammar Form and Function, Second Edition is a three-level grammar course with a NEW eWorkbook. It uses high interest full color photos that bring grammar to life, providing a visual context for learning and retaining new structures and vocabulary. The holistic approach to all four skills ensures academic success and full color photos enhance memory of grammar structures.

Key Features

- Clear, easy-to-understand lesson format integrates practice of the rules of essential English grammar with a sense of when to apply them and what they mean.
- A NEW audio program provides listening practice using grammar topics.
- A NEW Listening Puzzle section provides audio-based challenges for students to practice new grammar concepts.
- NEW Academic Reading Challenges and Story-Based Reading sections use the target grammar in high-interest selections that promote critical thinking skill development.
- A NEW Pair Up and Talk section provides opportunities for group and pair communicative practice using specific grammar patterns.
- The Writing section gives practical writing tasks for a variety of purposes that help reinforce the targeted grammar.
- Teacher's Edition with reproducible Internet Activity Worksheets, Unit Quizzes, teaching ideas, and answers to Student Book Practice activities.
