IMPACT Social Studies

NEW

Today's students are tomorrow's citizens and leaders.

Why IMPACT?

Create and cultivate an environment where students grow in their capacity to understand the world around them—both locally and globally. Students will gain building blocks for critical thinking and analysis as they use inquiry to learn about history, geography, economics, and civics. IMPACT Social Studies is also designed to harmonize with ELA instructional goals while being easy to use and flexible to implement.

Six circular callouts arranged in two rows of three. Each callout is split horizontally, with a title in the top half and a description in the bottom half. The top row callouts are: 1. Red circle: "TEACH YOUR WAY WITH IMPACT" / "Easily integrate social studies into your instruction." 2. Blue circle: "IMPACT IS INQUIRY" / "Curiosity is at the center of Inquiry." 3. Red circle: "IMPACT IS CITIZENSHIP" / "Today's students are tomorrow's leaders." The bottom row callouts are: 4. Blue circle: "IMPACT BUILDS LANGUAGE" / "Support all Language Learners." 5. Red circle: "IMPACT IS LITERACY" / "Reading about people and events that shape our world is relevant." 6. Blue circle: "IMPACT TEACHES THE WHOLE CHILD" / "Nurture critical competencies."

Understanding is the Foundation for Achievement

At McGraw Hill Education, we recognize that no two students are alike, and the need for personalized solutions could not be greater. Using revolutionary adaptive technology, LearnSmart® builds a learning experience unique to each student's individual needs.

LearnSmart® with Networks™, gives students an advantage. Research proves *LearnSmart®* improves learning outcomes by ensuring every minute a student spends studying is the most productive minute possible.

Give Students What they Need, When they Need it.

- *LearnSmart®* determines precisely which learning objectives a student has grasped and those with which he/she struggles.
- The Social Studies are made up of more than just facts and dates, *LearnSmart®* makes social studies content accessible to students by providing personalized instruction, practice, and context necessary to build meaning. The program also suggests different ways to access content or review materials when needed, all based on the individual student's personal performance and knowledge indicators.
- Interactive Word Play activities develop vocabulary and help all students access content.
- The student eBook provides students with tools to highlight, annotate, and closely read historical narratives and primary sources.

Effective study time

Smartbook® is an adaptive ebook that utilizes *LearnSmart*® technology to guide students through reading making every minute a student studies as productive as possible.

Engage students with a personalized reading experience

Every student experiences *SmartBook*® differently. The interactive challenge format highlights content and helps each student identify content they know, don't know, and are most likely to forget.

Easy-to-use so students retain what they learned

When *LearnSmart*® detects content a student is most likely to forget, the student is presented the content for review to improve knowledge retention.

Efficient reporting tools pinpoint learning gaps

Students study more efficiently because they are aware of content they know and don't know. Instructor reports identify at-risk students and highlight concepts the class as whole struggles to master.

The image displays two devices showing the SmartBook interface. The tablet on the left shows a matching exercise titled "Match the individual in the left column with his contribution to the Declaration of Independence in the right column." The right column lists five statements: "Author of the Declaration of Independence", "Delegate to the Second Continental Congress whose resolution for independence led Congress to declare a committee to write the Declaration", "First person to sign the Declaration of Independence", "Political leader who chose the author of the Declaration of Independence", and "English philosopher whose ideas on freedom and government greatly influenced the writing of the Declaration". The tablet has a progress bar and buttons for "I KNOW IT", "TAKE A CHANCE", "SKIP", and "NO IDEA".

The laptop on the right shows a reading passage titled "Dealing with Great Britain" with a "GUIDING QUESTION" and highlighted text. Below the passage is a "Reading HELPDESK" section with a "Taking Notes: Identifying" activity and a "Content Vocabulary" list.
