Economics
Remains the leading text for AP Macroeconomics and AP Microeconomics courses.

With McConnell, improving outcomes has never been simpler. If given the chance to work harder or smarter, which would you choose? This modern approach makes learning and applying economics easier for students. From real-life examples to cutting-edge learning resources, McConnell offers a student-centered learning environment that presents content in new, engaging ways. For instructors, a fully supportive teaching package does the heavy lifting so you can focus on what you love.

Today’s students are tomorrow’s citizens and leaders.

Why IMPACT?
Create and cultivate an environment where students grow in their capacity to understand the world around them—both locally and globally. Students will gain building blocks for critical thinking and analysis as they use inquiry to learn about history, geography, economics, and civics. IMPACT Social Studies is also designed to harmonize with ELA instructional goals while being easy to use and flexible to implement.

TEACH YOUR WAY WITH IMPACT
Easily integrate social studies into your instruction.

IMPACT IS INQUIRY
Curiosity is at the center of Inquiry.

IMPACT IS CITIZENSHIP
Today’s students are tomorrow’s leaders.

IMPACT BUILDS LANGUAGE
Support all Language Learners.

IMPACT IS LITERACY
Reading about people and events that shape our world is relevant.

IMPACT TEACHES THE WHOLE CHILD
Nurture critical competencies.

www.mheducation.com.sg/Impact-Social-Studies
IMPACT Social Studies gathers everything you need in one easy-to-use Online Teacher Center. Easily manage and organize your classroom, and create engaging lessons, presentations, and assignments. The Online Student Center provides students with access to interactive content, which leads to greater understanding and connection.

For the Teacher:

- Lesson plans and materials come ready-to-go to save you time, or can be easily customized.
- Differentiation strategies and superior ELA and EL resources support you to reach every learner.
- Assessments can be assigned with a simple click and provide students with a dynamic SBAC and PARCC-like experience. Assessments can be edited, added to or items removed for a true personalized assessment. Reports help you track individual student and class progress toward mastery.
- Outside content and resources can easily be added to the experience.
- Professional development videos support instruction and best practices.

For the Students:

- Interactive timelines and maps anchor students in the time and place of the narrative and provide global perspectives.
- Relevant videos deliver dynamic commentary to enrich the learning experience.
- Interactive Word Play activities develop vocabulary and help all students access content.
- The student eBook provides students with tools to highlight, annotate, and closely read historical narratives and primary sources.
Complete Print and Digital Fidelity
Digital resources invite students to explore new people, places and ideas and to engage with content, enhance students’ critical thinking skills, and inspire students to learn more.
These resources include:
- eBooks that can be accessed anywhere, anytime
- ePresentations to extend learning
- Interactive IMPACT to make content come alive and fun for students

Engage
- Introduce content vocabulary with Explore Words
- Share a Chapter or Lesson video to spark interest
- Start students on their inquiry journey

Investigate
- Display content for whole class instruction
- Access all student materials digitally
- Stay up to date with the current events site, IMPACT News

Report and Take Action
- Encourage students to make an IMPACT in their own communities with Connections in Action
- Assign Word Play activities for student to demonstrate their understanding of chapter vocabulary
- Interactively report findings and cite evidence from investigations

Understanding is the Foundation for Achievement

At McGraw Hill Education, we recognize that no two students are alike, and the need for personalized solutions could not be greater. Using revolutionary adaptive technology, LearnSmart® builds a learning experience unique to each student’s individual needs. LearnSmart® with Networks®, gives students an advantage. Research proves LearnSmart® improves learning outcomes by ensuring every minute a student spends studying is the most productive minute possible.

Give Students What they Need, When they Need it.

• LearnSmart® determines precisely which learning objectives a student has grasped and those with which he/she struggles.
• The Social Studies are made up of more than just facts and dates, LearnSmart® makes social studies content accessible to students by providing personalized instruction, practice, and context necessary to build meaning. The program also suggests different ways to access content or review materials when needed, all based on the individual student’s personal performance and knowledge indicators.
• Interactive Word Play activities develop vocabulary and help all students access content.
• The student eBook provides students with tools to highlight, annotate, and closely read historical narratives and primary sources.

Effective study time
Smartbook® is an adaptive ebook that utilizes LearnSmart® technology to guide students through reading making every minute a student studies as productive as possible.

Engage students with a personalized reading experience
Every student experiences SmartBook® differently. The interactive challenge format highlights content and helps each student identify content they know, don’t know, and are most likely to forget.

Easy-to-use so students retain what they learned
When LearnSmart® detects content a student is most likely to forget, the student is presented the content for review to improve knowledge retention.

Efficient reporting tools pinpoint learning gaps
Students study more efficiently because they are aware of content they know and don’t know. Instructor reports identify at-risk students and highlight concepts the class as whole struggles to master.

American History: Connecting with the Past

An Engaging, Balanced Approach

Alan Brinkley’s American History: Connecting with the Past, UPDATED AP Edition includes digital resources that align the program to the latest AP U.S. History curriculum. AP historical thinking skills and reasoning processes are central to the instruction, practice, and assessments. Teacher resources help sequence the content within the units in the new course Framework.

- The instruction is presented through a balanced perspective of political, social, and cultural history and its relevancy.
- Includes updated program and chapter-level correlations.
- The online benchmarks articulate the specific standards addressed within the chapter. This section includes direct links to the standards’ numbers and descriptions.
- Updated alignment of the test banks offers flexibility to create assessments by content standard or by skill.
- The updated Teacher Manual includes pacing guides, innovative instructional strategies, and a section dedicated to addressing the updated Framework.

The Unfinished Nation: A Concise History of the American People

Best-selling concise text for AP U.S. History

The Unfinished Nation: A Concise History of the American People is known for its clear narrative voice and impeccable scholarship. An excellent choice for Honors or AP United States History, this best-selling, concise text by Alan Brinkley invites students to think critically about the many forces that continually create the unfinished nation that is the United States.

New to the 9th Edition:
- New scholarship of experiences and perspectives of Native Americans, African Americans, and women throughout American history.
- Integrated coverage of global events covering the first half of the 20th century.
- Greater clarification on topics with which student typically struggle.

Achiever Exam Prep Guide

Updated for the New Redesign

Chris Freiler’s vast experience with the changes to the new AP European History course and exam informed this revision of his best-selling Achiever Exam Prep Guide for AP European History. Filled with up-to-date content, new AP-style test practice questions, and available paired with Connect® for an all-digital experience, the Achiever Exam Prep Guide is still the best resource for AP students using any AP European History textbook. Outstanding features include:

- Detailed overview of the new course and exam
- Up-to-date strategies for success on the exam
- Focused content review chapters with additional AP-style practice questions for each time period
- Two NEW complete practice exams
Experience History: Interpreting America’s Past

A Narrative of Social History Through Multiple Perspectives and Interpretations

The first AP adaptation of the best-selling college text now in its 9th edition, this narrative is told from multiple perspectives and highlights how diverse actors have been at the center of US history. Students are lead to a richer engagement with and a deeper understanding of how history is created. Focusing on the lives and actions of ordinary Americans helps students to understand that no event is inevitable, and that the actions of the people create historical moments. Students see themselves as stakeholders in an ongoing historical narrative, rather than passive recipients of a historical legacy that has little to do with their individual lives.

A First-of-its-Kind for Today’s AP Classroom with:
• Full alignment to the College Board framework for AP US History.
• Complete coverage of key concepts, disciplinary practices, and reasoning skills.
• A wealth of AP practice, focused review, and document-based questions integrated throughout.
• Critical Thinking features that focus on primary and secondary sources from different eras specifically developed with AP exam rubrics in mind.
• After the Fact, which visually flags key text and images to support the effective use of evidence in constructing a historical argument.
• Robust, adaptive teacher and student resources in the AP advantage.
• A printed Teacher’s Manual.

Dynamic Digital Resources

A wealth of digital AP resources include primary source analysis documents and activities, historical argumentation exercises, visual aids and videos, and customizable AP assignments and assessments. Content is organized at the chapter level.
From Slavery to Freedom: A History of African Americans

An In-Depth View of African American History

This text remains the most revered, respected, and honored on the market. The preeminent history charts the journey of African Americans from their origins in Africa, through slavery in the Western Hemisphere, and struggles for freedom and racial equality with a rich array of topics, including:

• Expansive treatment of early African arts, religion, politics, trade, slavery, and material culture.
• Differing expressions of protest, local community activism, and black internationalism.
• Civil rights and Black Power.
  Election of our first African American president.

A History of Europe in the Modern World

The Authority of European History

Palmer’s A History of Europe in the Modern World delves into how Europe’s history has contributed to the development of the modern world and an increasingly global society. The twelfth edition of this classic text links Europe’s specific nations, movements, and landmark events to broader historical themes and problems that have shaped the contemporary era. Students explore Europe’s past within the context of key historical trends, including the rise of industry and a global economy; the development of science, technology, and new forms of knowledge; social, cultural, and political movements; evolving views of human rights; and the complex relations between European nations and the wider world.
Introduction to Criminal Justice

Learn from The Experts

Introduction to Criminal Justice is the ideal text for students interested in learning the complexities of the criminal justice system. With nearly 100 years of combined experience in teaching and working in the field, the authors of this comprehensive program empower students to think critically about the U.S. criminal justice system. Opening with the fundamentals of criminal justice, this book focuses on crime and criminal law, before progressing through detailed analysis of the major components of the criminal justice system: Law enforcement, the administration of justice, and corrections.

This edition also includes:

- New and updated data throughout the entire book and new feature crime stores in every chapter.
- Continuing coverage of criminal justice’s role in the fight against terrorism.
- Discussions of current events
- Connect®, featuring autogradable and interactive assessment material tied to learning outcomes as well as the LearnSmart™ adaptive learning system.
Understanding Psychology

Modular, Student-Centered, and AP-aligned
The first AP adaptation of Understanding Psychology, a best-selling college text now in its 14th edition, introduces students to the exciting field of Psychology as a vibrant science that is both theoretical and relevant. The modular organization, careful attention to diversity, and illustrative connections to applied fields and topics help student approach the content, engage with concepts, and harness a deep understanding of the role of psychology in their daily lives. Fully aligned to the Advanced Placement® curriculum framework, Understanding Psychology interweaves AP Topics, Learning Targets, and Skills throughout to ensure students are well supported in their course and prepared for success on the AP exam.

Exclusive Features for AP Success
- AP Learning Targets in each module are tied to key AP content to keep students intently focused on critical AP skills and knowledge.
- Applying Psychology in the 21st Century infuses the rigor and practice of AP specific skills in the context of understanding real world theory and research findings.
- Neuroscience and Your Life emphasizes the AP focus of understanding the biological bases of behavior.
- Diversity is both integrated and highlighted to reveal how psychology informs, and is informed by, race, ethnicity, gender and culture.
- AP Summary, Key Terms, and Test Practice. Every module ends with an AP Summary, a list of key terms, and an AP Test Practice section, providing the opportunity to make connections and prepare for the Exam all year long.

Powerful Digital Resources
An interactive eBook and assignable, adaptive SmartBook® with practice and assessments that support the core text.
- Module-level interactivities, videos with assessments, and case studies.
- AP-style test practice that reflects the actual Exam and real-time progress reports to help students monitor their own progress.
- Teaching support including AP chapter and key concept overviews, teaching strategies, AP suggested assignments, benchmarks, and pacing guides.
The Science of Psychology

The Best Choice for your Integrated AP Psychology Course!

The modern, yet approachable narrative in The Science of Psychology provides students with a scientific approach to psychology, placing function before dysfunction. Special inserts such as Touring the Brain and Nervous System feature detailed, color transparencies to help students understand these biological functions. This new AP edition also includes many features designed specifically to help AP students succeed in the course and on the exam. Other features available through McGraw Hill Connect® enhance the experience, including:

- **AP Teacher Manual** - Provides teaching guidance, suggested activities, practice questions, pacing guides, and more.
- **AP Chapter Banks** - AP-style multiple choice and free response questions for student practice.
- **Anatomy and Physiology REVEALED for Psychology** - Interactive tool focusing on the exploration of biological structures related to psychology.
- **AP Edition eBook and a SmartBook™ adaptive reading experience.**
Economics remains the top selling book for AP Macroeconomics and AP Microeconomics courses. The authors’ 40 years of teaching success is reflected in the clear treatment of economics concepts, balanced coverage, and patient explanations. Streamlined to focus on AP content with easy visual clues to separate microeconomic and macroeconomic coverage, this new AP Edition is fully aligned to the new course Framework. A new test prep module includes exam tips, unit reviews, practice exams, and interactive annotated exemplar essays.

Streamlined AP Focus

- Robust, fully aligned AP resources including AP part and chapter introductions, AP-style test practice, AP quick review sections and complete practice exams focus the learning on AP curriculum all year long.
- Graphing practice, and additional graphing exercises and support provide multiple application opportunities.
- AP Edition eBook and a SmartBook® adaptive reading experience delivers anywhere, anytime learning.
- Refreshed illustrations and enhanced learning aids provide students with more accessible ways to approach instruction.
- AP Teacher Manual, available in print and online, includes a Pacing Guide, AP course and Exam information, suggested activities, AP focused instructional strategies, and a sample syllabus.

Enhanced Instruction, Personalize Support

Chapter level digital resources enhanced core content and provide meaningful application opportunities to support concept mastery.
Essentials of Economics provides a fresh alternative to the survey course that is both substantive and appropriate for the introductory economics student. The fourth edition provides the best elements of McConnell Economics 21st edition with unique content designed to help students understand the material in one semester.

Colander’s focus on modern economics centers on critical thinking. The approach is based on traditional models, but subjects students to deeper analysis, focusing on the real world as opposed to abstract models. Through Colander’s trademark colloquial approach, Economics helps students grasp core economic principles that they can apply in their daily lives, while presenting a range of differing schools of thought to expose students to the diversity of economic thought.
Traditions & Encounters: A Global Perspective on the Past

Stellar Authorship, Unmatched AP Support, and Redesign Ready!

Traditions & Encounters, © 2020 Update has been updated and fully aligned to the new AP World History course and Exam for the 2019 – 2020 school year. Integrated AP features in both the text and the digital resources support teachers and students as they transition into the new course Framework. Retaining the text’s thematic perspective, the instruction has been reorganized to reflect the new time span and revised themes, skills, and processes and foster connections that illustrate both continuities and changes across time periods. Students are led to analyze historical sources and evidence as they interpret, draw inferences, and evaluate a variety of documents and understand the context and connections among events. Using historical reasoning, students gain an understanding of how to develop an argument based on relevant evidence.

Fully Updated Course Resources

- AP-style test practice includes multiple choice, short answer, and long essay questions at the end of each chapter.
- AP Test Banks match the question type, style, scope, and rigor of the AP Exam.
- The AP Teacher Manual supports a seamless transition to teaching the revised themes and skills within the new time span. A prelude chapter provides detailed instruction on how to integrate pre-1200 content into the curriculum based on the Themes from the new AP World History: Modern Framework.
- A Primary Source Library, organized by historical time period includes a variety of primary sources and historical arguments. A set of focused documents and images provide an opportunity to analyze and interpret a topic in depth.

Powerful Digital Resources, AP-aligned Instruction

Online study tools engage students and personalize the learning for AP success. The dynamic digital resources include:

- An updated eBook and SmartBook® with instruction and assessments that reflect the new time span and themes.
- Targeted recommendations that focus students on concepts and content that require additional study.
- Coverage and activities that focus on pre-1200 time periods to prepare students for the later start date of the new World History curriculum.

About McGraw Hill

Our vision is to unlock the full potential of each learner.

Our mission is to accelerate learning through intuitive, engaging, efficient and effective experiences – grounded in research.

At McGraw Hill, we’re passionate about learning. It’s embedded in our DNA. We know that the passion to learn is very personal. Learning something new might enable you to take a new path in life. Or to launch your career, taking you on a whole new trajectory. When you are passionate about learning, the possibilities are endless.

Where the Science of Learning Meets the Art of Teaching

Educators always will be at the heart of the learning experience. We partner with educators around the globe to develop better experiences for learners. We help drive success by harnessing content, technology and data to ignite the spark between teaching and learning. And it’s working. Our solutions are proven to improve pass rates, elevate grades and deepen engagement for each individual learner while improving outcomes for all.

We are a learning science company.

Grounded in deep insights into how learning happens, we deliver tools, technologies and services that power performance and achievement. Our adaptive technology actively tailors learning to the individual, continually assessing skill and confidence levels, and providing precise direction to fill knowledge gaps and accelerate mastery. Learners now can enjoy products that adapt to their individual learning styles and unique circumstances, with digital tools and mobile access that help them make the most of study time, whenever and wherever they choose. And our analytics empower both learners and educators to make the most of every interaction. Our products, services and solutions are designed to improve learning outcomes.

Why? Because learning changes everything®.
