Economics

Remains the leading text for AP Macroeconomics and AP Microeconomics courses.

With McConnell, improving outcomes has never been simpler. If given the chance to work harder or smarter, which would you choose? This modern approach makes learning and applying economics easier for students. From real-life examples to cutting-edge learning resources, McConnell offers a student-centered learning environment that presents content in new, engaging ways. For instructors, a fully supportive teaching package does the heavy lifting so you can focus on what you love.

Today's students are tomorrow's citizens and leaders.

Why IMPACT?

Create and cultivate an environment where students grow in their capacity to understand the world around them—both locally and globally. Students will gain building blocks for critical thinking and analysis as they use inquiry to learn about history, geography, economics, and civics. IMPACT Social Studies is also designed to harmonize with ELA instructional goals while being easy to use and flexible to implement.

www.mheducation.com.sg/lmpact-Social-Studies

IMPACT Social Studies gathers everything you need in one easy-to-use Online Teacher Center. Easily manage and organize your classroom, and create engaging lessons, presentations, and assignments. The Online Student Center provides students with access to interactive content, which leads to greater understanding and connection.

For the Teacher:

- Lesson plans and materials come ready-to-go to save you time, or can be easily customized
- Differentiation strategies and superior ELA and EL resources support you to reach every learner.
- Assessments can be assigned with a simple click and provide students with a
 dynamic SBAC and PARCC-like experience. Assessments can be edited, added
 to or items removed for a true personalized assessment. Reports help you track
 individual student and class progress toward mastery.
- Outside content and resources can easily be added to the experience.
- Professional development videos support instruction and best practices.

For the Students:

- Interactive timelines and maps anchor students in the time and place of the narrative and provide global perspectives.
- Relevant videos deliver dynamic commentary to enrich the learning experience.
- Interactive Word Play activities develop vocabulary and help all students access content.
- The student eBook provides students with tools to highlight, annotate, and closely read historical narratives and primary sources.

MPACT SOCIAL STUDIES

Complete Print and Digital Fidelity

Digital resources invite students to explore new people, places and ideas and to engage with content, enhance students' critical thinking skills, and inspire students to learn more.

These resources include:

- eBooks that can be accessed anywhere, anytime
- · ePresentations to extend learning
- Interactive IMPACT to make content come alive and fun for students

Engage

- Introduce content vocabulary with Explore Words
- Share a Chapter or Lesson video to spark interest
- Start students on their inquiry journey

Investigate

- Display content for whole class instruction
- · Access all student materials digitally
- Stay up to date with the current events site, IMPACT News

Report and Take Action

- Encourage students to make an IMPACT in their own communities with Connections in Action
- Assign Word Play activities for student to demonstrate their understanding of chapter vocabulary
- Interactively report findings and cite evidence from investigations

Blended-learning with Impact

Enhance instruction with the right mix of print and digital resources.

IMPACT's digital and print resources can be used to personalize student learning according to their individual needs. Through the use of the program components, you can assess and identify student strengths and areas of growth. Meet each student where they are by providing their perfect place, path, and pace!

LEARNSMART + SMARTBOOK

LearnSmart® + SmartBook®

Understanding is the Foundation for Achievement

At McGraw Hill Education, we recognize that no two students are alike, and the need for personalized solutions could not be greater. Using revolutionary adaptive technology, LearnSmart® builds a learning experience unique to each student's individual needs.

LearnSmart® with Networks™, gives students an advantage. Research proves LearnSmart® improves learning outcomes by ensuring every minute a student spends studying is the most productive minute possible.

Give Students What they Need, When they Need it.

- LearnSmart® determines precisely which learning objectives a student has grasped and those with which he/she struggles.
- The Social Studies are made up of more than just facts and dates, LearnSmart®
 makes social studies content accessible to students by providing personalized
 instruction, practice, and context necessary to build meaning. The program also
 suggests different ways to access content or review materials when needed, all
 based on the individual student's personal performance and knowledge indicators.
- Interactive Word Play activities develop vocabulary and help all students access content.
- The student eBook provides students with tools to highlight, annotate, and closely read historical narratives and primary sources.

Effective study time

Smartbook is an adaptive ebook that utilizes LearnSmart technology to guide students through reading making every minute a student studies as productive as possible.

Engage students with a personalized reading experience

Every student experiences *SmartBook®* differently. The interactive challenge format highlights content and helps each student identify content they know, don't know, and are most likely to forget.

Easy-to-use so students retain what they learned

When LearnSmart® detects content a student is most likely to forget, the student is presented the content for review to improve knowledge retention.

Efficient reporting tools pinpoint learning gaps

Students study more efficiently because they are aware of content they know and don't know. Instructor reports identify at-risk students and highlight concepts the class as whole struggles to master.

Experience History: Interpreting America's Past

A Narrative of Social History Through Multiple Perspectives and Interpretations

The first AP adaptation of the best-selling college text now in its 9th edition, this narrative is told from multiple perspectives and highlights how diverse actors have been at the center of US history. Students are lead to a richer engagement with and a deeper understanding of how history is created. Focusing on the lives and actions of ordinary Americans helps students to understand that no event is inevitable, and that the actions of the people create historical moments. Students see themselves as stakeholders in an ongoing historical narrative, rather than passive recipients of a historical legacy that has little to do with their individual lives.

- Full alignment to the College Board framework for AP US History.
- · Complete coverage of key concepts, disciplinary practices, and reasoning skills.
- A wealth of AP practice, focused review, and document-based questions integrated throughout.
- Critical Thinking features that focus on primary and secondary sources from different eras specifically developed with AP exam rubrics in mind.
- After the Fact, which visually flags key text and images to support the effective use
 of evidence in constructing a historical argument.
- Robust, adaptive teacher and student resources in the AP advantage.
- A printed Teacher's Manual.

Dynamic Digital Resources

A wealth of digital AP resources include primary source analysis documents and activities, historical argumentation exercises, visual aids and videos, and customizable AP assignments and assessments Content is organized at the chapter level.

Essentials of Economics

Colander, Eleventh Edition © 2020

Cutting Edge and Modern

Colander's focus on modern economics centers on critical thinking. The approach is based on traditional models, but subjects students to deeper analysis, focusing on the real world as opposed to abstract models. Through Colander's trademark colloquial approach, Economics helps students grasp core economic principles that they can apply in their daily lives, while presenting a range of differing schools of thought to expose students to the diversity of economic thought.

Traditions & Encounters: A Global Perspective on the Past

Stellar Authorship, Unmatched AP Support, and Redesign Ready!

Traditions & Encounters, © 2020 Update has been updated and fully aligned to the new AP World History course and Exam for the 2019 – 2020 school year. Integrated AP features in both the text and the digital resources support teachers and students as they transition into the new course Framework. Retaining the text's thematic perspective, the instruction has been reorganized to reflect the new time span and revised themes, skills, and processes and foster connections that illustrate both continuities and changes across time periods. Students are led to analyze historical sources and evidence as they interpret, draw inferences, and evaluate a variety of documents and understand the context and connections among events. Using historical reasoning, students gain an understanding of how to develop an argument based on relevant evidence.

Fully Updated Course Resources

- AP-style test practice includes multiple choice, short answer,and long essay questions at the end of each chapter.
- AP Test Banks match the question type, style, scope, and rigorof the AP Exam.
- The AP Teacher Manual supports a seamless transition toteaching the revised themes and skills within the new time span. A prelude chapter provides detailed instruction on how to integrate pre-1200 content into the curriculum based on the Themes from the new AP World History: Modern Framework.
- A Primary Source Library, organized by historical time period includes a variety of primary sources and historical arguments. A set of focused documents and images provide an opportunity to analyze and interpret a topic in depth.

Powerful Digital Resources, AP-aligned Instruction

Online study tools engage students and personalize the learning for AP success. The dynamic digital resources include:

- An updated eBook and SmartBook® with instruction and assessments that reflect the new time span and themes.
- Targeted recommendations that focus students on concepts and content that require additional study.
- Coverage and activities that focus on pre-1200 time periods to prepare students for the later start date of the new World History curriculum.

Newly Added!

HIGH SCHOOL EQUIVALENCY TEST; GED, HISET® / TASC

LEARNSMART®

An high school equivalency test prep program for students with a 9-12 grade level equivalent.

Rooted in the Common Core and College and Career Readiness Standards, Common Core Achieve is built on the core content instruction needed for all 2014 high school equivalency exams, and includes test preparation specific to each exam.

Adaptive test preparation that pinpoints what individual students know, and don't know, and then provides a variety of learning resources to help students learn those concepts outside of the classroom. Get the exact curriculum you've been envisioning with McGraw Hill Custom Solutions. Our simple process delivers print, digital, and blended solutions that are tailored to meet your unique needs. It's like a concierge service for your curriculum. Because one size, doesn't fit all.

What Our Customers are Saying

One of my greatest needs and desires has been fulfilled by the creation of a custom-bound Louisiana Fine Arts textbook. Not only does it cover the areas of fine arts textbook. Not only does it cover the areas of fine arts – it includes the connection of the arts to our everyday lives, and extends to architecture, photography, film and television, and video art. This comprehensive book is currently being used in classrooms across our Caddo district and around Louisiana.

About McGraw Hill

Our vision is to unlock the full potential of each learner.

Our mission is to accelerate learning through intuitive, engaging, efficient and effective experiences – grounded in research.

At McGraw Hill, we're passionate about learning. It's embedded in our DNA. We know that the passion to learn is very personal. Learning something new might enable you to take a new path in life. Or to launch your career, taking you on a whole new trajectory. When you are passionate about learning, the possibilities are endless.

Where the Science of Learning Meets the Art of Teaching

Educators always will be at the heart of the learning experience. We partner with educators around the globe to develop better experiences for learners. We help drive success by harnessing content, technology and data to ignite the spark between teaching and learning. And it's working. Our solutions are proven to improve pass rates, elevate grades and deepen engagement for each individual learner while improving outcomes for all.

We are a learning science company.

Grounded in deep insights into how learning happens, we deliver tools, technologies and services that power performance and achievement. Our adaptive technology actively tailors learning to the individual, continually assessing skill and confidence levels, and providing precise direction to fill knowledge gaps and accelerate mastery. Learners now can enjoy products that adapt to their individual learning styles and unique circumstances, with digital tools and mobile access that help them make the most of study time, whenever and wherever they choose. And our analytics empower both learners and educators to make the most of every interaction. Our products, services and solutions are designed to improve learning outcomes.

Why? Because learning changes everything®.
