(Figure 12) **Homonyms**—pairs of words that sound alike—lists the definitions and provides a context sentence so that students will not confuse words such as *write* and *right*. **Five-Lesson Point Summaries** are for students to record their performance on weekly tests. Students also record their 30-Lesson Totals. A **Super Speller Certificate** may be awarded to students whose 30-Lesson Total is 138 or higher.
