Why SmartBook[®]?

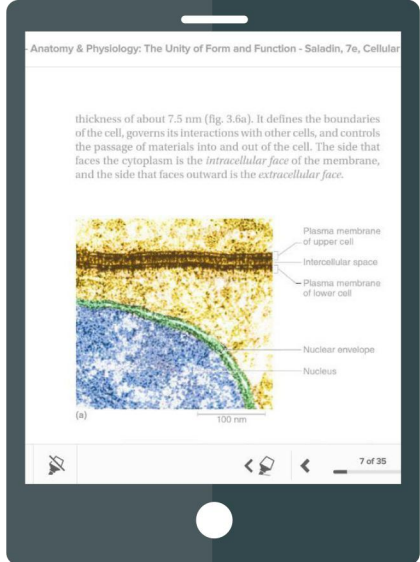

Adaptive Reading
and Learning
Experience.

Available within McGraw-Hill Education's Connect[®], SmartBook makes study time as productive and efficient as possible. It identifies and closes knowledge gaps through a continually adapting reading experience that provides personalized learning resources at the precise moment of need. This ensures that every minute spent with SmartBook is returned to the student as the most value-added minute possible. The result? More confidence, better grades, and greater success.

Mobility

New! Students and instructors can continue to enjoy convenient anywhere, anytime access to SmartBook with a new and improved mobile interface designed for optimal use of tablet functionality.

Learning Resources

SmartBook identifies and closes knowledge gaps through a continually adapting reading experience that provides personalized learning resources like audio and video at the precise moment of need, thus making study time both productive and efficient.

Recharge

The “To Do” section of Connect features “Recharge”—alongside the course assignments—to prompt students to review previously learned content. “Recharge” helps ensure that students retain knowledge over a sustained period of time, and are able to retrieve knowledge (recall course content) easily during discussions and/or assessments.
